PROFESSIONAL SUMMARY

Aspiring data scientist/programmer with skillful knowledge in Python and R programming, data cleaning, and SQL. Proficient in data transformation and management using tools like Pandas, with a solid foundation in object-oriented programming. Demonstrates strong analytical skills and approaches to solving complex challenges.

SKILLS

HERE'S WHAT I KNOW:

Python Programming

Microsoft Excel

Data Cleaning

SQL

JavaScript

Object-Oriented Programming

Web Scraping

Data Visualization

Pandas (Python)

Data Validation

Data Transformation

Tableau Visualization

R Programming

NoSQL

Data Management

Git & Version Control

AT WORK, I CAN SHOW:

Problem-Solving

Leadership

Adaptability

Work Ethic

Critical Thinking

Patience

Communication

Organization

Decision-Making

Flexibility

EDUCATION

Adams Middle School, Brentwood, CA, 94513

JULY 2022 - JUNE 2025

Currently still attending Adams Middle School as an 8th grader. An academic striver who works hard to ensure proper learning and good grades. Ended 7th grade with a perfect GPA of 4.0. Also participated in plenty of extracurriculars at school outside of school times.

Extracurriculars:

- Founder of the Adams Speech & Debate Club. Approved to start next year. Helped find officers and a club advisor, and met with the other officers to learn about speech and debate events.
- Founder of the Adams Research Club. Founded in April 2024 likely until graduation in June 2025. Helped gather, compile, analyze, and visualize survey data from hundreds of students to develop recommendations for next year.
- Member of ASB. Started in July 2023 until graduation in June 2025. Planned and carried out service that reached and impacted the 1000+ students at Adams. I used extra hours of service and effort for the Rotary Youth Leadership Award.

AWARDS & CERTIFICATES

AWARDS:

Rotary (Club of Brentwood) Award

2023 - 2024

Obtained the required 15 hours of service via opportunities from ASB in addition to the required 15 hours of service per quarter needed for ASB.

Honor Society x8

2022-2024

Maintained outstanding GPAs of over 3.70 for the previous 8 quarters of school.

CERTIFICATES:

Google Data Analytics Certificate

FEBRUARY 2024 - MARCH 2024

Completed 7 different courses in data analytics and learned about data analytics tools, methodologies, strategies, etc.
